

December Mission Awareness

5th grade is coordinating December 14th's mission!

After prayerful consideration, and due to the success of this mission the last three years, we have decided to choose and support the same two local organizations this year. Our hope is to give St. Francis students and families the opportunity to reach out and serve those less fortunate right here in our own backyards.

We will be collecting for two organizations:

Connection Cafe

West Des Moines Human Services

In lieu of a cash donation, we are requesting specific items from each grade level. The 5th graders will collect these items on December 14 ONLY in exchange for a dress down day. The 5th graders will then prepare and wrap the items for delivery, as part of a Faith in Action project. We encourage donations of items to assist with our Faith in Action project, however, if you are unable to purchase an item, a cash donation will certainly be accepted.

As a part of our Faith in Action day, we are also asking for donations of shoeboxes and/or a roll of new or leftover Christmas wrapping paper. These can be sent in beginning immediately.
