But that is when the dueling pianos will start taking requests to play your favorite songs (don't forget cash for tips!). The music will end around 10:30.

WHY: The auction is our school's largest fundraiser of which helps to financially support our Home & School Association in their mission to raise funds for the support of Catholic education.

AM I GOING TO BE PRESSURED TO BUY SOMETHING?

NO! Just coming to the event helps financially. And more importantly, you will leave having had a fun night with dinner, live music and time with friends. We do however want you to know that the price range of items is wide with many affordable items.
